**NOSE AND HEAD STOPPED UP FROM  
COLD OR CATARRH, OPEN AT ONCE**

By Cleansing, Healing Balm Instantly  
Cures Nose, Head and Throat—Stops  
Nasal Catarrhal Discharges—Dull  
Headache Goes.

Try "Ely's Cream Balm."  
Get a small bottle, anyway, just to try it. Apply a little in the nostrils, and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dizziness and headache disappear. By morning the catarrh, cold-in-head or external sore throat will be gone.  
Send such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant balm

dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately.

Don't lay awake to-night struggling for breath, with head stuffed; nostrils clogged; hawking and blowing. Catarrh or a cold, with its running nose, foul mucus dropping into the throat, and raw dryness is distressing but truly needless.

Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear.—Advertisement.

Don't put in another day of distress. Let Cascarets sweeten and regulate your stomach; remove the sour, undigested and fermenting food and that misery-making gas; take the excess bile from your liver and carry off the decomposed waste matter and constipation poison from the bowels. Then you feel great.  
A Cascaret to-night will straighten you out by morning—a 16-cent box from any drug store will keep your head clear, stomach sweet, liver and bowels regular and make you feel bully and cheerful for months. Don't forget the children.—Advertisement.
